OCCUPATIONAL SAFETY AND HEALTH CENTER
North Avenue corner Agham Road, Diliman, Quezon City

ENDORSEMENT

The Association of Safety Practitioners of the Philippines, Incorporated (ASPPI) will be having its **17th General Assembly and OSH National Convention** with the theme “*Expanding Roles and Opportunities in the Occupational Safety and Health Profession*” on **August 26 - 28 2015** at the Skylight Hotel and Convention Center, **Puerto Princesa City, Palawan**.

The Occupational Safety and Health Center extends its unwavering support to an active partner in the advocacy for improving OSH and building a culture of workplace safety and health in the country. The event will foster professional competence in the field of Occupational Safety and Health in industries and provide an inspiring opportunity for a dynamic exchange of OSH initiatives and sharing of best practices by industry experts, government leaders and strategic partners. The **ASPPI Convention** is a milestone activity in the continuing effort to advocate prevention of work-related accidents, injuries and illnesses.

In this connection, the OSHC encourages your company to send participants/delegates to attend this important activity. We look forward to seeing you in ASPPI's 17th General Assembly and OSH National Convention, and hope for your usual support and commitment in the promotion of workplace safety and health at all times.

MA. TERESITA S. CUCUECO, MD, CESO III
